

Capability Statement

About Us

V-TIC SERVICES INC is a proud partner of the Viswa Group which was founded in 1991 by Dr. Vis, who has a PhD in Metallurgical Engineering, a Masters in Internal Combustion Engineering, and a bachelor's in marine engineering. The Viswa Group is considered by many to be a "One Stop Shop." We have a dedicated, dynamic, and entrepreneurial team of scientists, engineers, and support professionals with a long-standing reputation of technical excellence in the fields of Fuel Oils, Distillates, Lubes, Cylinder Lubes, Grease Oil, Hydraulic Oils, Emission Optimization, Environmental Monitoring and Analysis, Non-Destructive Evaluation and Failure Analysis.

Core Competencies

- Fuel Oil Testing & Analysis
- Lube Oil Testing & Analysis
- Grease Testing & Analysis
- Condition Monitoring Services

Past Performance

- Crowley Maritime – Jacksonville, FL (2016-Current)
Fuel oil Testing
- Matson Navigations – California (18years)
Fuel Oil testing, Lube Oil Testing
- Infineum – San Antonio, Tx (2019-Current)
Additives Testing and Blending Studies
- Valero – San Antonio, Tx (2019-Current)
Fuel Oil testing & Blending Studies
- National Biodiesel Board

Differentiators

- Qualified business testing best-in-industry solutions.
- Exceptional Quality Control Standards.
- Leadership with over 20 years' experience in fuel and oil testing.
- Best of Breed Testing Subcontract Partnerships.
- Deeply experienced resource pool and recruiting.

NAICS Codes

- 213112 Support Activities for Oil and Gas Operations
- 541380 Testing Laboratories
- 541690 Other scientific and technical consulting services
- 541330 Engineering Services
- 541990 All Other Professional, Scientific, and Technical Services.
- 541715 Research and Development in the Physical, Engineering, and Life Sciences (except Nanotechnology)
